

NOTICE TO EMPLOYEES IN CASE OF WORK-RELATED INJURIES

If you suffer a work-related injury, immediately report the injury to your supervisor. Failure to do so may delay your benefits or may cause you to lose your rights to benefits. For necessary medical treatment and supplies to be paid by your employer:

- All treatment must be obtained from one of the healthcare providers listed below.
- You must continue to visit one of the healthcare providers listed below if you need treatment for 90 days from the date of your first visit. If one of the providers listed below refers you to another licensed specialist, those services will be paid.
- After this 90-day period, if you still need treatment, you may go to another healthcare provider for treatment as long as you notify your claims adjuster within five (5) days of your visit to a new provider.
- If a listed physician prescribes invasive surgery, you have the right to obtain a second opinion from a physician of your choice. If a second opinion differs from that of the listed physician's opinion, you may determine which course of treatment to follow; however, the second opinion must contain a detailed treatment plan. If you choose the treatment prescribed in the second opinion, you must receive the treatment from a listed provider for a period of 90 days after the date of your visit to the provider of the second opinion.

If you are faced with a medical emergency, you may secure initial emergency treatment from any emergency facility. However, when the emergency is resolved, follow-up treatment must be obtained from one of the following healthcare providers. If you choose to treat with an out-of-state provider, you may be subject to balance billing.

PENN NATIONAL
INSURANCE

Convenience and value-added benefit to you and your injured employees...

- Prescription drugs
- Physical therapy, occupational therapy & work hardening
- Chiropractic
- Diagnostic Imaging (MRI, CT scan, EMG)
- Durable medical equipment & supplies

Penn National Insurance, your workers' compensation insurer, offers an additional benefit and convenience to you and your employees. At the time of injury, your injured employee can receive a card for prescription drugs, and be conveniently scheduled for physical medicine (PT, OT and chiropractic) and diagnostic services (radiology, CT scans, MRI and EMG) through our service partner, KeyScripts LLC.

To the Insured:

When your employees are injured, please provide a copy of this document to your employees to take to their medical appointments, and instruct them to tell the providers that the above services are to be scheduled by calling KeyScripts at **866-446-2848**. This will assure that services are in-network, and can be scheduled at a facility convenient to your employee.

To the Provider:

- Do not dispense prescription medications directly out of your office. Your patient has been provided a pharmacy benefit card to obtain medications at the pharmacy.
- Please schedule physical medicine (PT, OT, and chiropractic) and diagnostic services (radiology, CT scans, MRI and EMG) by calling KeyScripts at **866-446-2848**.
- Please send your bill for services with associated notes/report/records to Penn National Insurance for payment consideration in compliance with the applicable workers' compensation statute.

If you have any questions, please call KeyScripts at 866.446.2848, and our customer service representatives will assist you.
